#### **Rooball**

The Rooball teams last matches are on 10<sup>th</sup> September and a Family Fun Day Windup has been arranged on Saturday 16<sup>th</sup> September. More details to follow.

#### **Juniors**

All Junior teams last matches are also on 10<sup>th</sup> September and the Presentation Date is Sunday 24<sup>th</sup> September. Details to follow.

Six Cockburn City players are still in the State trials for the under 14's team which consists of 20 players from which, 16 will be selected for a State tournament in NSW in October.

Unfortunately our under 14's went out of The Smarter Than Smoking Junior Cup Competition after losing 1-0 to FW Girls NTC squad on Saturday 5<sup>th</sup> August 2006.

#### **Seniors**

The Senior team and our under 18's went through to the quarter finals in the Soccer Pools Cup. Stirling Lions met Cockburn City, where it was a case of deja vu for both teams who met only seven days earlier in the League with us Cockerels coming out 3-2 winners. The Lions had the home ground advantage this time and Cockburn who were undefeated on their travels, were confident of progressing.

Unfortunately we lost 3-2

(Other semi was Perth 2-3 Swan IC)

Stirling Lions will meet Swan I.C. in the final.

The final of the Reserves U23's will be

Swan IC v Inglewood United

The under 18's semi final was

Stirling Lions 3 - 2 Cockburn City

(Other semi was Armadale 2 - 1 Balcatta)

Armadale v Stirling Lions in the finals on 7.10.06

Upcoming matches for Cockburn Senior Teams:

**26/08/06 HOME Armadale**

2/09/06 AWAY Floreat

**9/09/06 HOME ECU Joondalup**

16/09/06 AWAY Wanneroo

**23/09/06 HOME Swan IC Last Match.**

- Please come along to support at Dalmatinac Park

### **Sponsors**

Saturday 5<sup>th</sup> August was our 'Sponsors Lunch'.

This is where our Sponsors, Coaches & Team Managers are invited for a lunch and drinks at Dalmatinac Club in Spearwood to thank them for their contribution to Cockburn City Soccer Club. This years event was well attended and was followed by the Cockburn City v Stirling Lions match, which we won 3-2, the reserves won 4-3 and the under 18's drew 0-0. Once again we thank all of our sponsors for their help.

We are very grateful to all our sponsors for helping Cockburn City soccer club in any way. We would like to advertise their services on our website and print a paragraph or two about their service/business in our newsletter. However we don't have all the information about some of our sponsors so please email on [info@cockburncity.com.au](mailto:info@cockburncity.com.au) or contact Jan on 0405564968 in order that this can be done if it hasn't already. My apologies to any sponsors whose details are missed off of newsletters etc. Please let me know direct about any issues with the newsletter or website. Thank you Jan

### **New Sponsors**

#### **Tenix are sponsoring our Under 14's team.**

Tenix Defence Marine Division is a major ship designer and builder in the Asia Pacific region. Their focus is on the delivery of cost-effective solutions to complex Defence and commercial opportunities for both new build and support activities. The company uses modern shipbuilding and manufacturing techniques throughout its shipyards. The use of these techniques enables Tenix to construct competitively priced vessels to high quality standards. New construction, repairs and maintenance are undertaken at Australian shipyards in Williamstown (Victoria) and Henderson (WA). Both facilities also perform in-service support. Tenix backs its designs with extensive experience in designing, building and delivering more than 200 naval, paramilitary and specialist vessels, and has the full capability to design, construct, outfit, set-to-work, trial and support major surface combatants. Marine Division has particular skills in naval systems design and integration and can bring together sensor and communications systems and weapons from different national suppliers and integrate them into fully operational combat systems. Tenix's capability is further strengthened by its proven integrated logistic support and systems integration performance. This enables Tenix to work with clients to establish, from high level requirements, the ship, system and support solutions that best meet the client's needs.
