Sponsors

We are very grateful to all our sponsors for helping Cockburn City soccer club in any way. We would like to show our gratitude by advertising them on our website and by printing a paragraph or two about their service/business in our newsletter. Therefore would all sponsors please email on info@cockburncity.com.au or contact Jan on 0405564968 in order that this can be done if it hasn't already. My apologies to any sponsors whose details have been missed off of previous newsletters etc but as volunteers sometimes our communications don't get through as they should. Please let me know direct about any issues with the newsletter or website. Thank you Jan

From the Junior President

There were some comments made to one of our coaches from outside the club about Cockburn's Junior Teams positions on the ladder in their respected Leagues. I would just like to confirm the club's philosophy regarding the development of young players. Cockburn's aim is to develop our players to their full potential. The winning of Trophy's is very nice but second to the player's development. There are many clubs out there that only care about winning and not the skills and technique of their players we at Cockburn City are committed to coaching our players to go on and play at the highest possible level.

Tim O'Brien
Junior President

Rooball

The development of our young players is progressing well & we've had very positive feedback from our Rooball Coaches that all teams are doing well & having fun. Please continue to enjoy.

Juniors

The in-house 5 a side competition organised by Gareth Naven has now run on the last few alternative Saturdays & has been very well attended by the 11 - 13 age group (U14's are involved in State Trials) The competition is still open to players

in that age group to join in. Just turn up 8.45am on 15.07.06.

The Football West under 14's squad, including four of our Cockburn City players, Alex Pearson, Brad O'Brien, Cameron & Ryan Edwards performed admirably at the recent Asian Festival of Football U14's Tournament played in Malaysia. The 14's coach, State Education and Development Manager Andrew Bettel, believes his side was gallant and represented the Country with pride. Details about the trip can be viewed on Football West's website by typing 'asia' in the search box.
